# Planegram

### **We're the foremost Thrush distributor in the country.**

But we might tell you your best investment is a Cessna.

Or an Ag Cat or Air Tractor.

At Mid-Continent, we're not interested in selling you any particular brand of ag aircraft. Our concern is that your business investment is the right one. Right for your aerial application needs. Right for your balance sheet.

Sure. We are the foremost Thrush distributor in the country. (Perhaps the world, for that matter.) But if the best investment for your ag craft dollar is something else, we'll tell you so. We can do that because we've got something else...the largest selection of clean, solid used and new aircraft to be found anywhere. Any model. Any price range.

Come to Mid-Continent. It's where ag aircraft, ag aviation know-how, and an overwhelming loyalty to you, the aerial applicator, come together.

Mid-Continent Aircraft Corporation is pleased to announce that Dennis Davis has been named the new Parts Manager. Dennis has been with Mid-Continent since 1995 filling several jobs and serving as Assistant Manager for the last several years.

Doug Jordan has been promoted to Assistant Parts Manager and Justin Edwards has been promoted from shipping to Parts Salesman. Regina Rhodes will continue to serve as the Administrative Assistant and Export Manager.

Casey Haywood and Benny Phillips will continue in shipping and receiving.

Silvia Hollis, International Sales Manager for Mid-Continent Aircraft Corporation, just came back from the Ag Show in Brazil. Shown here with Payne Hughes, President of Thrush Aircraft Inc. and Eric Rojek, Vice President of Sales at Thrush.

## **Our Mission:**

### ***To keep you flying.***

Since 1949, Mid-Continent Aircraft has been the leader in Agricultural Aviation by providing a variety of services that exceed our customers' expectations.

We are committed to the advancement of general and agricultural aviation technology.

As we move into each day, we will continue to grow with your business and provide the tools you need to be a success.
